November 3, 2014

Dear Friends,

On November 1st, 2014 we watched hopelessly as five young beautiful lives perished in flames at 20-24 Noyes Street property located on the corner of Noyes and Freeman Street in Portland, ME. Steven Summers was engulfed in flames and remains in critical care at Massachusetts General Hospital, Boston, MA. We pray for his life & recovery.

Our neighborhood, friends, families, USM, Phi Mu Delta Fraternity and city mourn this tragic loss. We greatly appreciate your support and kindness as we struggle to cope. We established a UNO face book page and invite you to share your condolences and thoughts.
